FOREWORD

The AMERICAN LAWYERS QUARTERLY has been printed continuously and without interruption since its inception in 1899. The A.L.Q. is designed for those who wish to find and employ out-of-town counsel, and it is selectively distributed to those who will use it for its intended purpose. Coverage is provided for all commercial centers, county seats, cities and sizable towns in the United States, as well as most commercial centers throughout the world. It may safely be assumed that listed counsel welcome commercial claims as well as general legal work, and they have an active interest in serving faithfully those who use our service.

The AMERICAN LAWYERS QUARTERLY is a directory of collection and bankruptcy lawyers. Regular supplements assure our users of accurate and up-to-date information. A large and dedicated staff revises and refines the listings in order to make available competent and experienced referred attorney service. In furtherance of this effort, we would be grateful if name changes, deaths, address changes and the like, coming to the attention of users, are promptly reported to us.

An excellent Service Department is maintained at our Cleveland office. In the event any question or problem arises in connection with a matter placed with our listees, you may report the facts to us and we will promptly intercede on your behalf. Any opportunity to serve you will always be welcome. Inquiries from both forwarders and receivers obtain prompt attention, as it is our desire to be sure that the working relationships are maintained in the most convenient and efficient manner.

Occasionally, counsel is needed in an area not covered by one of our listees, or where our listed counsel has a conflict of interest. In that instance, we are happy to assist users in locating other representation.

When you employ a lawyer from the AMERICAN LAWYERS QUARTERLY, we respectfully request that you submit a forwarding notice covering each such matter to our office within thirty (30) days of the date of employment. If you wish, you may simply send us a copy of your forwarding correspondence. Furthermore, we ask that you notify our listee that his name was selected from the A.L.Q. By following these simple instructions, you activate our bond, register your forwarding with our Service Department, and protect the interests of your client and yourself.

Copies of the AMERICAN LAWYERS QUARTERLY are available from our Home Office, and if requested, references about our standing and the efficacy of our work will be furnished. Attorneys interested in being listed in our directory are invited to investigate the possibilities by contacting us.

THE PUBLISHER HAS ENDEAVORED TO SUBSTANTIATE THE ACCURACY OF THE LISTINGS AND THE INFORMATION CONTAINED IN THE AMERICAN LAWYERS QUARTERLY. HOWEVER, THE PUBLISHERS MAKE NO REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF SUCH LISTINGS AND INFORMATION OR AS TO THE COMPETENCE, DILIGENCE OR LEGAL ABILITY OF ATTORNEYS LISTED. THE PUBLISHER EXPRESSLY DENIES LIABILITY FOR ANY MISTAKE OR ERROR IN THE LISTINGS, THE FAILURE TO INCLUDE THE NAME OF ANY ATTORNEY, ERROR IN ANY INFORMATION CONTAINED IN THIS PUBLICATION OR FOR THE CONSEQUENCES OF ANY LEGAL ACTION INITIATED OR ADVICE GIVEN BY ANY LISTED ATTORNEY. THE UTILIZATION OF THIS LAW LIST CONSTITUTES THE ACCEPTANCE OF THESE TERMS AND CONDITIONS.

SOME TECHNICAL DETAILS

In addition to geographical listings of attorneys and law firms available for employment, THE AMERICAN LAWYERS QUARTERLY contains the following information:

- All U.S. towns and cities with a population of 200 or more.
- Counties and county seats for each state as well as listings of corresponding judicial districts for the provinces of Canada.
- City-county maps by state including indexes (Copyright, American Map Corp., New York, License No. 18836).
- Secretaries of State with complete addresses, telephone numbers and FAX numbers.
- Bankruptcy judges listed by name and jurisdiction for each state, including addresses, telephone numbers and FAX numbers.
- Voice Case Information System (VCIS) telephone numbers for bankruptcy court districts where applicable; VCIS uses an automated voice response system to read a limited amount of bankruptcy case information directly from the court's database in response to Touch-Tone telephone inquiries. The service is now operating in approximately 75 bankruptcy courts. Usage of VCIS is currently free.
- An Alphabetical Roster of listees including their city, state, telephone number and FAX number.

AMERICAN LAWYERS QUARTERLY
INSURANCE PROGRAM

This program indemnifies those who forward cases through the American Lawyers Quarterly to ALQ listees against loss due to fraudulent or dishonest acts and not against negligence or any other delinquent misconduct, error of judgment, or other breach of contract whatsoever on the part of the attorneys. This insurance program is in the form of a $2,000,000.00 fidelity insurance program, and the liability of the law list is limited to claims with respect to which the Chubb Insurance Group, through its subsidiary Federal Insurance Company, accepts liability. **Specifics on this program are as follows:**

1. The insurance program includes coverage against acts of larceny or embezzlement. **This is not a malpractice insurance program.**

2. It covers properly registered cases for 36 months, from the date of forwarding, except that, in the event that the listing of an attorney/law firm is terminated for any reason, the coverage period will not exceed 12 months from the date of termination. Forwarding notification must be sent to the American Lawyers Company within 35 days from the date each referral was made to the ALQ listee. In addition, the listed attorney(s) must be notified on each referral that their name was selected from the American Lawyers Quarterly.

3. This program covers listees and claims in all 50 states and Canada, but does not provide coverage on foreign attorneys including Puerto Rico, Guam, and the Virgin Islands.

4. Neither the publisher nor the surety shall be liable for any loss through any attorney or firm of attorneys whose names were not listed in that publication at the time of employment. It is incumbent upon the forwarder to consult the latest edition and supplements to the law list or the ALQ web site (www.alqlist.com).

5. Under the terms of this Bonding Program, the loss shall be calculated as the net sum the forwarder would have received had the remittance been made in due course by the attorney or firm of attorneys after deduction of costs, expenses, fees, and commissions due to the attorney(s). Recovery will be 90% of the loss after a deductible of $250 per legal case. This Program does not cover expenses incurred in establishing existence and amount of loss.

6. Suit fees and advanced court costs are covered if it is proven that suit has not been filed. Suit fees and advanced court costs are not covered if it is proven that suit has been filed.

7. The publisher and the surety assume no liability for dispute in fee deductions in connection with suit and/or legal fees.

8. The forwarder, on becoming aware of any act or acts which may be the basis of a claim under the insurance program shall notify the law list immediately. The forwarder must thereafter furnish supporting documentation and a total loss figure to the American Lawyers Company within 90 days.

9. If there is a discrepancy on a remittance by a listed attorney, it is incumbent upon the forwarder to submit to the law list for adjustment the attorney's check and any other pertinent information to the case. Under no circumstances, should the original check be returned to the attorney for adjustment.

10. No forwarder shall seek bonding coverage with more than one law list on a single item placed with a receiver, nor shall the forwarder indicate bonding coverage with more than one list to the receiver on a single case. Violation of this rule will nullify all terms of this Bonding Program.

LIST OF FOREIGN COUNSEL AND SOLICITORS

To the best of our knowledge these attorneys are competent and reliable, but we assume no responsibility for them.

When matters are sent abroad, delays can be minimized by sending full information at the outset. Air mail is recommended for its speed and greater reliability. We urge against sending irreplaceable documents abroad without retaining legally-usable copies.

Contingent fees are virtually unknown abroad. Many foreign lawyers charge for service regardless of results, and few will divide fees. Those fee schedules known to us are included below.

Difficulty may be encountered in securing remittances due to restrictions on exporting of foreign currencies in certain countries. Clarification should be made with counsel. Banks and local consulates may be helpful.
